Try to say something extra when you answer the question. For example, instead of saying “There are four people in my family”, you could say “There are four people in my family : my mum and dad, my brother and me”.

- 1) How many people are there in your family?
- 2) How often do you see your relatives?
- 3) What kinds of things do you do together?
- 4) What is your best friend like?
- 5) Where does he or she live?
- 6) What do your friends do at the weekend?
